Privacy

The information contained within
www.wholewoman.org.au is NOT confidential.
It is the nature of this website to gather and
display information about health and related
services available to consumers in the Barwon
South-Western Region. All such information is
provided by the staff of the organizations
concerned, who are bound by the privacy and
confidentiality provisions of their employers.

This service is provided to the service sector
and the community at no charge.
www.wholewoman.org.au does not solicit,
store, display or otherwise contain any kind of
patient information or identifiers related to
any individual.

Making connections for women's health and wellbeing

2 How to: subscribe to the quarterly Wholewoman News

The Wholewoman News is a new
quarterly newsletter for women of the
Barwon South-Western Region.

Each edition of Wholewoman News
contains materials available on
www.wholewoman.org.au including
letters, details of local events, new
women's health resources, stories
from local women, reports from the
women's health resource workers of
our region and details of how you may
contribute.

Inside this leaflet you will find a form
that may be used to subscribe to the
Wholewoman News. Delivery options
include direct to your postal address
and via email.

Subscription forms are also available
on-line at www.wholewoman.org.au

The WISP

Part of the WISP (Wholewoman Information Sharing Protocol), this "How to" information leaflet is number two in a series. Titles available are:

1. How to: locate services using the free on-line directory of services.
2. How to: subscribe to the quarterly Wholewoman News
3. How to: Establish and maintain your listing in the free on line directory of services.
4. How to: subscribe to and unsubscribe from the monthly Wholewoman Digest.
5. How to: read and post messages to www.wholewoman.org.au

To order leaflets, for other information about the WISP contact your local Women's Health Resource Worker.

From Greater Geelong, Queenscliffe and Surfcoast phone: 5260 3719
